

Condolence Meeting

We inform with great regret that Mr. Mallela Ravindra Babu (2006JVL2228), a second year student of the VDTT programme, has passed away in a natural calamity. He and his family were caught in a flash flood triggered by thunderstorm in Andhra this week. Unfortunately his father and brother have also passed away in this incident. This has come as a severe shock to the student community and faculty who have known him during the last year at IIT Delhi. Most unfortunately, this has put his mother, the only surviving member of the family, in the deepest grief of her life. To pay our condolences and pray for the family, a condolence meeting will be held in the Seminar Hall on 11-06-2007 (Monday) at 4:45 p.m.

M. Balakrishnan & Basabi Bhaumik

Note: With the loss of all earning members, his mother would need financial help as we have been informed that her resources are limited. We plan to launch a campaign to raise funds once the PG students who know him well return from vacations later this month.
