D.O.No.F.1-3/2018(SWAYAM/Miscellaneous)  
Dated :- 12th March, 2020

Dear Sir/Madam,

The National Mission on Education through Information and Communication Technology (NMEICT), a flagship initiative of the Ministry of Human Resource Development, aims to leverage the potential of Information and Communication Technology (ICT) in teaching and learning process by high quality, personalized and interactive knowledge modules over the internet for all the learners in higher educational institutions (HEIs) in anytime, anywhere mode.

The details of the various initiatives under NMEICT can be accessed at https://mhrd.gov.in/ict-initiatives. Also enclosed is an annexure outlining the benefits of these initiatives for students, teachers, professionals and informal learners and the expectations from HEIs. For any queries regarding these initiatives, the contact persons’ details are provided in the annexure or you may also contact Ms. Malathi Narayanan, DS(ICT), MHRD at 011-23385220, e-mail: nmalathi.edu@gov.in.

I would request you to avail maximum benefit of these digital initiatives by promoting and creating awareness amongst the university academic community and students by providing a link to https://mhrd.gov.in/ict-initiatives on your university websites and sharing through other official social media sites.

The action taken in this regard may be intimated to UGC at the University Activity Monitoring Portal of UGC at https://www.ugc.ac.in/uamp/.

With regards,

Yours sincerely,

(Rajnish Jain)

Encl: as above.

To,
All Vice Chancellors/College Principals/Directors CFTIs
